

It is a chore to keep track of the everchanging statuses of local businesses and parks as Arizona begins the reopening process. Our Guest Services Team has put together some information that we hope you will find helpful.

This page was last updated on June 11, 2020. However, please check specific links for the most up-to-date information.

Resort Pools and Hot Tubs

Effective May 13th the Governor and local Health Department has approved for us to open our resort pools and hot tubs. ***This does come with responsibilities.*** We have set up the pools and hot tub seating to accommodate a limited number of guests based on the 6-foot distance guidelines.

Restaurants

Effective Monday, May 11, 2020, dine-in services may resume provided restaurants adhere to executive order 2020-34. Whether restaurants choose to do so will be up to each establishment. The majority of restaurants are back open for dine-in with social distancing in place.

Hiking

Sedona is home to some of the most breathtaking hiking trails in the world! Here are two links that will direct you to the full list of hiking trails that are available to you in Sedona:

[Hiking trails A - K:](#)

[Hiking Trails L - Z:](#)

Some trails may be closed periodically. Please check specific trail before setting out on your adventure.
